Continuation of 1(c) Other: The replacement paragraph for page 12, lines 7-9 contains the text "distributed" on line 2 of the paragraph, which was not present in the original paragraph. If the applicant intends to add the text "distributed", then the text "distributed" must be underlined. Furthermore, the replacement paragraph for page 9, starting at line 14 has the text "Please add space in between paragraphs. Please add indentation at beginning of this paragraph", where the text is being added to the paragraph. However, it appears that the applicant intends to have two separate paragraphs. If the applicant intends to do that, then Delete the original paragraph and Add the two new paragraphs. Otherwise, the text "Please add space in between paragraphs. Please add indentation at beginning of this paragraph" is being added to the paragraph. See 37 CFR 1.121(b)(1).
